

Marathon Volunteers Needed!

Suffolk County is looking for volunteers to help make the Catholic Health Services' 3rd Annual Suffolk County Marathon, Half Marathon, Marathon Relay, 5k and FreedomFest: Taste of Long Island Festival a continued success.

All net proceeds from the festival and races are donated to local veterans' organizations for the creation and expansion of veteran services and programs. Volunteering to help make the marathon weekend a success will directly benefit our local heroes living right here in Suffolk County.

We are seeking volunteers for all facets of the event from packet pick up in the two days before the race to helping spectators and participants navigate the course on race day.

To volunteer, please click here:
