

Marathon Invites Vendors for FreedomFest

The Taste of Long Island Festival is a showcase of the rich and diverse collection of food and beverage options available across Suffolk County. The event is organized by the Greater Patchogue Chamber of Commerce.

The Taste of Long Island Festival is a wonderful opportunity for your business to reach new customers, build overall brand awareness, and drive repeat visitations to Suffolk County.

There is a \$100 vendor fee for a 10'x10' lease with additional adjacent vendor spaces available for lease. Food Trucks are charged a flat fee of \$250. All net proceeds support veterans' services.

If you are interested in participating in the third annual Taste of Long Island Festival, click on the link below or contact David Kennedy at (631) 207-1000 or at info@Patchogue.com. We look forward to your participation!
