

Eligibility for LI Challenge Medal Expands to Half Marathon

The Long Island Challenge Medal was so popular that we have decided to add it for the Half Marathon!

All runners who successfully complete the RXR Long Island Half Marathon and the Catholic Health Services Half Marathon are now eligible for a special "challenge" medal. We previously announced the medal would be awarded to those completing both marathons.

It's not too late to register for the Oct. 29 race--sign up at <http://www.suffolkmarathon.com> Come out and help to support our veterans!

After the race you can enjoy live music and food at the Freedom Fest!
